

# The White Birch

Newsletter of the Shire of Rokeclif

March 2010 (AS  $\kappa$ liii)

## Seneschal's Missive

To all who read and hear these words, Kudrun Pilegrim sends greeting.

The chronicler is a little late with the Birch because she spent the last weekend in February with seven (count them 7!) other shire members at Bardic Madness. The event was a joy, and the feast was incredible. Simple, but delicious. Court was very short, but momentous, as Lady Bronislavá was presented with the Award of the Cygnus for her service, primarily as Autumn Rose steward. Lady Cybele participated in many challenges, and Kudrun taught a class. The singing at the post-revel was astounding, as bards from Midrealm and Northshield joined in harmony. Robert made his bardic debut, with his story of burning down the fire truck.

Pie Snit III proceeds apace, as does Autumn Rose.

The chronicler's and seneschal's reports were filed on time.
